**S-01 Parking**
The closest parking to the IHDD is S-01 Parking, located behind the UWMC, west of the IHDD clinic building. Access the lot from 15th Ave NE. At the stop sign, proceed left onto Boat St and stop at one of the parking booths (Gatehouse #6). Even if the LOT FULL sign is out, proceed to the booth and ask for IHDD patient parking. The IHDD is at the far end of S-01 Parking. Park as far east in S-01 Parking as you can to minimize walking distance.

**Disability Parking**
All IHDD patients and families with mobility parking needs can request a UW disability permit at the gatehouse. No State Disability Placard is necessary. Ask the Gatehouse attendant for directions to the disability parking spots. You must still pay for parking in S-01, even if you have a State Disability Placard.

**Payment Information**
You must pay in advance to park in S-01. There are 3 methods of payment:

1. Stop at Gatehouse 6 and tell the attendant you have an appointment at IHDD and need a permit. UWMC patients can ask for a partial refund coupon at check in if you pre-pay over $10. Leave the permit on your dashboard to avoid a ticket.
2. Use the machine located on street level near the blue EMERGENCY pole (valid for street/top level only). UWMC patients can ask for a partial refund coupon at check in if you pre-pay over $10.
3. Use the Pay By Phone app on your smart phone or www.paybyphone.com (location # 123210 – valid for street/top level only; no partial refund is offered for this option).

**Walking from S-01 Parking to the IHDD**
Exit at the far (east) end of S-01 Parking. You can enter the IHDD Clinic building through the side door that faces S-01 – look for the awning with the building name (Institute on Human Development and Disability). Once inside, follow the signs to the elevator and go up to the second floor to check in at the front desk.

Alternately, use the ramp to the front door from the corner of NE Columbia Rd & Ferry Pl NE – look for the Institute on Human Development and Disability sign. Check in at the front desk on the 2nd floor.
