

ARE YOU PREGNANT?

You may be eligible for a paid research study at UW

Researchers are currently looking for participants who are:

- Pregnant
- 21-45 years old
- **Not using OR frequently using** cannabis

Participants will receive:

- \$350 or more
- Complimentary one-day parking
- A developmental report from a licensed psychologist
- Images of their baby's brain, safely scanned by MRI

**We respect your choices and your
privacy. All study data is kept
confidential.**
