

Building Leaders for a Better Future

What we are planning:

SAIL is proud to announce that it will be hosting two important presentations to educate individuals with intellectual and developmental disabilities, as well as community members. We aim to inform the next generation of self-advocate leaders by exploring the past, recognizing our present, and helping to shape our future.

Session 1: The Disability History Movement

Take a trip back in time to explore how people with disabilities fought for their civil rights.

August 26th 4 PM – 5:30 PM

Session 2: Social Change for a Better Future

Looking forward to the future by exploring where we need to go and ways to get there.

September 3rd 4 PM – 5:30 PM

Please RSVP for these two exciting opportunities at <https://tinyurl.com/m5syrbd7>
