

Project ECHO for Parents and Caregivers of Children 0-5 years old with disabilities and Challenging behavior

Join us weekly on Tuesdays from 10-11am starting November 10- March 9th on Zoom.

Meeting Highlights:

- Learn evidence-based strategies to prevent and respond to challenging behavior at home in a safe and welcoming environment.
- Connect with other parents and caregivers navigating similar situations
- Expert Presentations: Hear from professionals with diverse expertise in the field.
